VDSF
HOSPITALITY

HOSPY 200 Manufacturing Specifications

Built on a **new custom-designed trailer chassis**, incorporating an **ABS braking system** and **air suspension**.

Main structure fabricated from **galvanized tubular steel profiles**, with all welded areas properly treated for corrosion protection.

Lower storage compartments constructed using **welded and treated tubular steel framework**.

Compartments fitted with **lockable handles**, concealed hinges, perimeter water-diverting seals, and rubber weather seals to ensure watertightness.

Hydraulic System

Six **hydraulic leveling legs** for stabilizing and leveling the trailer.

Hydraulic cylinders for operating the **side slide-outs** and raising the hospitality structure.

Each slide-out is equipped with a **reinforced adjustable-height support system**.

All hydraulic cylinders include **integrated safety valves**.

Two electric motors, each coupled with its own hydraulic pump, operating as **independent hydraulic systems**.

Multifunction **wireless remote control** for operation.

Latest-generation **solenoid valves** for precise hydraulic movement control.

Hydraulic fluid reservoir.

Premium-quality hydraulic fittings and hoses.

Exterior Construction

Exterior cladding finished with **continuous polyester panels**, color to be determined.

Perimeter finished with **aluminum angle trim**.

Rubber seals and brush seals installed to maximize weatherproofing around all side openings.

Wall Mate insulation panels installed between the steel structure and the exterior polyester cladding.

Standard Exterior Colors: White and Grey.

Interior Construction

Interior ceilings and walls finished with premium composite panels, available in the standard color collection.

High-strength Finnish plywood subfloor with durable commercial-grade vinyl flooring in the standard finish.

Lower level equipped with **dual hydraulic slide-outs** (one on each side), providing a significantly expanded hospitality and workspace when deployed.

Access & Layout

Main Entrance

Front entrance featuring an **automatic access door** with integrated staircase and safety handrails.

Rear Entrance

Rear access through a **manual door** integrated into the rear slide-out, complete with staircase.

Upper VIP Level

Two side wing extensions create an expanded outdoor viewing and hospitality area.

Internal staircase provides convenient access to the upper VIP terrace.

Pricing

Base Price: \$1,080,000 USD

Includes: Import duties and applicable tariffs.
